Shale Gas News Podcast: Pipelines, Fracking & More

May 11, 2019
Shale Gas News Radio

Daniel Markind recently appeared on the *Shale Gas News Podcast* where he discussed the decision New York Governor Andrew Cuomo has to make on the NESE pipeline, the decision by Oregon to deny a permit for the Jordan Cove Pipeline, the banning of fracking by Washington Governor Jay Inslee of fracking in his state, and the battle in Death Valley over lithium mining, which is needed to make renewable energy sources viable.

Check it out here. (Interview appears at 18:55).
