# Pennsylvania Super Lawyers® Names Nine FG Attorneys to 2018 Lists

*Press Release*

May 18, 2018
Philadelphia, PA

Nine Flaster Greenberg attorneys were named by Thomson Reuters, publishers of *Super Lawyers* magazine, as 2018 Pennsylvania "Super Lawyers" and "Rising Stars" for excellence in their areas of practice.

Only five percent of attorneys in the state are named by *Super Lawyers* annually. The designation is granted to attorneys who demonstrate the highest levels of legal ability and integrity as determined by their peers and independent research. The multi-phase research process, performed annually, consists of a statewide survey of lawyers, independent evaluation of candidates by the attorney-led research staff, a peer review of candidates by practice area and a good-standing and disciplinary check.

The following Flaster Greenberg attorneys were recognized by *Pennsylvania Super Lawyers* magazine for their work in a variety of practice areas, and reside primarily in the firm's Philadelphia office:
