### Strengthening Our Communities

Flaster/Greenberg's reach has expanded well beyond our South Jersey roots. As we have increased our presence in New Jersey, Pennsylvania and Delaware, we have also accepted our responsibility as corporate citizens to support the local communities where we live and work.

Our attorneys and staff devote their talents and abilities to many civic and charitable endeavors, including countless hours of *pro bono* legal work. Each year, we assist numerous nonprofits, educational organizations, individuals and public interest groups, by volunteering our legal skills as well as our time and resources to the less fortunate in a wide variety of circumstances.

In addition, we work with, sit on the boards of, or oversee many types of civic, cultural, educational and religious organizations.

The following list includes the organizations we proudly support:

- 3 Public Libraries throughout the Greater Philadelphia area
- 4 Jewish Federations of various counties throughout the Greater Philadelphia area
- Albert Einstein Medical Center
- American Association of University Women, New Jersey
- American Heart Association
- American Red Cross
- Big Brothers/Big Sisters of Cumberland County
