This webinar is the second in a series that Flaster Greenberg has tailored to address the most pressing concerns facing employers and business owners during the COVID-19 crisis. As new laws are introduced, and the “new normal” takes hold, the one constant we have become accustomed to is change. This webinar will cover some of the most important issues affecting you right now, including:

- An update on the Families First Coronavirus Response Act (FFCRA) and Department of Labor's Rule
- Updates to employment and workforce issues
- Real estate lease agreements and re-negotiations
- Force majeure clauses (including in specific areas such as FAA funded projects and oil and gas leases and contracts)
- Lease and rent abatements
- Overview of the CARES Act and programs available
- Overview of SBA loans
- Expanded use of the Small Business Reorganization Act

Should you wish to submit your questions ahead of time, email marketing@flastergreenberg.com by 10 AM EST on Tuesday, April 14. You'll also have the opportunity to submit questions during the live webinar.
