

Property Taxes: Seminar on Appeals and Planning

March 9, 2010

Flaster Greenberg

For owners of commercial or industrial property, there is no better time than the present to consider appealing your 2010 real estate tax assessment statement.

Here is why:

- Property values are plummeting, but tax assessments are not
- There is a greater likelihood of over-assessment of commercial and industrial properties
- The value of comparable property may never be lower

Our Program

- Getting Value from a Tax Appeal
Douglas S. Stanger, Esq. and Steven S. Poulathas, Esq., Flaster Greenberg PC
- Question & Answer Session

Who should attend:

- Owners of commercial real estate who are interested in the current real estate market and tax appeal issues
- Owners of office, industrial/warehouse complexes, strip malls, multifamily properties, hotels and marinas are encouraged to attend
