Marty M. Judge is chair of Flaster Greenberg's Environmental and Real Estate Law Departments. He focuses on all facets of environmental litigation, in addition to environmental compliance and counseling work. Mr. Judge has widespread experience in environmental matters concerning CERCLA (Superfund), RCRA and New Jersey Spill Act actions; Natural Resource Damage (NRD) claims; ISRA applicability and compliance matters; underground storage tank issues; and indemnity and contribution actions among jointly responsible parties. Mr. Judge also previously served Deputy Attorney General for the State of New Jersey representing the New Jersey Department of Environmental Protection in all facets of its work. He is the former law clerk to the Honorable Milton B. Conford (deceased), former Presiding Judge of the Appellate Division of the New Jersey Superior Court and a temporary member of the New Jersey Supreme Court.

Anthony Russo is the Executive Vice President of Government Affairs and Communications for the Commerce and Industry Association of New Jersey (CIANJ), a business association representing the interests of more than 900 companies. In this capacity, Mr. Russo is responsible for all government affairs matters impacting the business community.
