

NJBA Tax Reform Seminar

January 30, 2018

New Jersey Builders Association

For more information or to register for this event, please visit the NJBA website [here](#).

NJBA is hosting a seminar to review the recently approved Tax Cuts and Jobs Act and provide critical updates on how the new federal law will impact you, your business and the building industry.

Critical Tax Changes and Questions Answered

- Learn how SALT deductions being capped at \$10,000 will impact the housing market and home prices.
- Find out how the elimination and reduction of numerous deductions might impact your filing.
- Hear whether lower corporate rates and pass through deductions ultimately make the tax bill a positive for NJ, or are NJ residents doomed by limited deductions of high state and local taxes?
