Press Release

May 25, 2018

We are pleased to announce that our firm's Business and Corporate Department has been honored with the "Jersey Dealmakers of the Year" award issued by the *New Jersey Law Journal* for its active Mergers & Acquisitions practice.

Our M&A attorneys handle hundreds of transactions each year for our clients, from routine acquisition and disposition transactions across multiple industries, to leveraged buy-outs, financing transactions, and complex tax-free mergers and spin-offs. While the transactions range in consideration up to several hundreds of millions of dollars, each is approached holistically so that our clients benefit from our attorneys' depth in transactional work and in the related specialties that are integral to a successful deal.

"A distinguishing strength of our M&A practice is that we have a deep and growing bench of transactional attorneys, composed of large law-firm alumni with experience in substantial M&A transactions, and many of whom are also sophisticated tax attorneys," said Steven S. Poulathas, Corporate Department Chair. "Our qualifications and experiences give our clients a strategic advantage to make deals that achieve outstanding results."

In its inaugural installment, the *NJLJ* set out to recognize "excellence in corporate, M&A, real estate, bankruptcy, and other transactional practices in the Garden State."
