

Flaster Greenberg to Sponsor Anti-Defamation League's 10th Annual Walk Against Hate

Press Release

October 13, 2020

Cherry Hill, NJ

Flaster Greenberg is a proud sponsor and participant of the 10th Annual Anti-Defamation League Walk Against Hate, which will take place virtually on Sunday, October 18, 2020. This year's Walk Against Hate looks a little different than walks the ADL has hosted in years past. Though we can't join together physically, we can bring the same impact... and more.

The 2020 ADL Walk Against Hate knows no boundaries, inviting individuals, families, friends, colleagues, teammates, and communities from across the country to get creative in how you "walk." We hope that you will join us to speak up, share facts and show strength during this year's Walk.
