2017 Annual Supreme Court Review Thursday, July 6, 2017 12:00 – 1:30PM *1.5 PA CLE Credits*

With a new justice on the Supreme Court and dozens of legal challenges to the President's executive orders filed all over the country, this year has already been a blockbuster one for the courts.

Watch distinguished legal scholars **Erwin Chemerinsky**, **Frederick Lawrence**, and **Dahlia Lithwick** as they discuss how Neil Gorsuch could impact the future of Supreme Court jurisprudence, the most important cases of the term—on topics such as separation of church and state, racial bias in the criminal justice system, and free speech—and legal challenges to the President's executive orders.

This event is presented by the Anti-Defamation League and the National Constitution Center.

This event will be live streamed from the National Constitution Center and held at:
