

Bankruptcy, Financial Restructuring and Risk Management

The Bankruptcy, Financial Restructuring and Risk Management Practice Group at Flaster Greenberg provides clients with practical and cost-effective solutions to issues related to distressed financial situations, bankruptcy, restructuring and insolvency. We work with clients to understand your specific situation and create a strategy to meet your goals, in an attempt to obtain the greatest monetary value for your situation.

Our attorneys get immediately involved in every aspect of the financial workout and/or bankruptcy process. Our representations have included the entire range of client interests including debtors, secured and unsecured creditors, creditors' committees, trustees, receivers, asset purchasers, claims traders, insurance companies, financial institutions, investment banks, pension funds, landlords, equipment lessors, and preference plaintiffs and defendants. We represent a wide range of clients, from Fortune 500 corporations to privately held companies and individuals.

Our specific services include supporting clients in: financial restructuring, bankruptcy transactions, acquisitions and litigation. For all of our clients, we focus on your objectives, working closely with management and in-house counsel (if available) to develop plans and processes to mitigate risks and help you move forward.
