

Construction Law

Flaster Greenberg's Construction Law Practice Group has extensive experience servicing entities involved in the construction process. In counseling and representing clients engaged in public and private, commercial and institutional projects, we are able to address all aspects of the construction process, from contract negotiations to on-site issues to project closeout. Licensed in New Jersey, New York, and Pennsylvania, we resolve disputes efficiently and effectively in all jurisdictions' state and federal courts as well as in private and court ordered mediation and arbitration.
