

Trademarks and Copyrights

Trademarks

Our trademark attorneys have extensive experience:

- Consulting in the selection, clearance and registration of trademarks, trade names and service marks, both domestically and internationally
- Representing clients in the litigation of trademark, trade name and service mark infringement cases of all types before state and federal courts
- Representing clients in governmental proceedings such as opposition, cancellation and domain name disputes
- Representing clients in appeals to the Trademark Trial and Appeal Board, the Court of Appeals for the Federal Circuit and other appellate courts
- Evaluating, creating, and negotiating agreements related to trademarks, trade names and services marks
- Assessing client and third-party trademarks, trade names and service marks through intellectual property audits and on-going portfolio management and counseling

Copyrights

Our IP trademark team offers full representation in securing copyright protection and obtaining clearances for copyrighted materials and works. They review and analyze complex copyright ownership problems to determine a client rights. Our team also has experience in representing clients in the litigation of copyright infringement cases of all types before state and federal courts and routinely counsel clients in fully leveraging the value of their intellectual property through the negotiation and preparation of licensing agreements.
