COVID-19 Resource Page

Flaster Greenberg attorneys have been analyzing the impacts that existing, new, and proposed laws will have on employers and individuals in a COVID-19 world. As federal and state guidelines continue to evolve in an effort to deal with the crisis, our attorneys have formed a response team and will work to keep you up-to-date on developments that impact your business.

To help address various aspects of the broad-reach of the coronavirus, we have compiled educational and informational alerts and summaries to help you navigate this unprecedented and unrelenting era.

Below are links to recently drafted analyses and guides, and links to our webinars. We are continuously updating this page as the issue progresses, so check back frequently for more information to help guide you and your business.
