Stephen M. Greenberg is president of Flaster Greenberg. He concentrates his practice in healthcare law, tax and corporate legal services, including all types of business transactions, mergers and acquisitions, and estate planning and administration. He has particular experience in mergers and acquisitions of healthcare providers and physician practice groups including to private equity entities; tax structuring of business transactions and corporate reorganizations; hospital-physician groups integration; and tax planning for individuals, estates and trusts. His special understanding of the healthcare industry encompasses regulatory law and managed care issues, formation of practice entities, antitrust issues surrounding physician groups, structuring compensation arrangements and buy-ins and buy-outs, and designing hospital-physician group integration agreements.

Mr. Greenberg has lectured before many professional organizations including the New Jersey Institute for Continuing Legal Education, New Jersey Society of Certified Public Accountants, Camden County Bar Association and Tenet Health System's and Drexel College of Medicine's Clinical Care Conferences. His seminars have included "Compliance: What Every Physician Should Know," "Individual Tax Planning and Tax Planning for Estates and Trusts," "HIPAA Privacy Compliance" and "Estate Planning for Qualified Retirement Plan Benefits."

"I have been fortunate to be able to count on Steve several times for his invaluable advice. Without Steve's timely intervention, we would have never had the opportunity to learn everything that we have since then or to spiritedly resist [this healthcare organization's legal maneuvers] as long as we eventually did. Good people make good things happen. We look forward to many more years of our relationship with Flaster Greenberg."
