REPRESENTATIVE MATTERS

- Represented an airport located in upstate New York in a \$61 million terminal modernization and renovation project.
- Part of a team of multidisciplinary attorneys in the representation of a provider of Medicare benefit solutions in connection with its recapitalization project with a private equity firm. The complex transaction entailed significant M&A, asset protection, estate and income tax planning.
- Represented a regional provider of telecommunications services in the purchase of the assets of another telecom provider in order to increase our client's geographic footprint. The transaction was the culmination of a multi-year process and involved extensive negotiations, regulatory approvals, and complex due diligence review.
- Represented a software company and its owner in an asset sale. This transaction required numerous consents as well as the termination of certain existing agreements necessitating complex negotiations between the company and its clients, vendors and creditors before the assets could be sold.
