With the latest changes to Federal Overtime Exemption status that take effect on January 1, 2020, businesses need to know what to handle, what to change and what to update. And in light of the Federal Pay Equity Act, Title VII, State and Local compensation equity laws, it's a sea of compliance to follow. What can businesses do to be best prepared for these changes?

This morning workshop is designed to inform and practically prepare your company. You'll get to network with other business owners and HR professionals who are wading through the same waters.

This Overtime and Equity Pay Workshop will be sponsored and presented by **Flaster Greenberg, Sentinel Pay Analytics** and **Humareso**.
