

## Let's Talk About Environmental Issues | 39th Annual Pennsylvania Aviation Conference

---

October 30, 2019

Aviation Council of Pennsylvania

**Daniel Markind** will be presenting at the Aviation Council of Pennsylvania's 39th Annual Pennsylvania Aviation Conference in Pittsburgh, PA, which is held on October 28-30, 2019. This three-day event brings together key aviation industry professionals from around Pennsylvania into one meeting place for diverse and informative panel discussions, speakers, educational and collaborative sessions, and events covering a variety of important and emergent topics in aviation.

Dan's presentation, "Let's Talk About Environmental Issues", will cover important environmental issues that affect the aviation industry.
