CCSNJ Webinar: Pandemic Resiliency Planning for Businesses

April 8, 2020
Chamber of Commerce Southern New Jersey

About this Webinar

- Steps for Business Pandemic Resiliency Planning
- Putting actions in place with proper internal and external team
- Cost cutting and raising capital
- Potential of company failure
- Workout options with creditors short of bankruptcy
- Chapter 11, Chapter 7, and Subchapter V bankruptcy
- Forming a new entity and closing an old entity
- Creditor rights

The economic impact on businesses during the COVID-19 pandemic has already taken a visible toll, and many businesses are feeling the financial pinch or experiencing delays with their vendors. In a time when the future is so unknown, it helps to be aware of all of your options.

If you have a question for the panelists, please submit them ahead of time to Mary Bennett at mbennett@chambersnj.com
