

Podcast: Shale Gas News 4.25.2020

April 25, 2020

As the COVID-19 pandemic continues, we are relying even more on fossil fuels than before. Click the link below to hear Dan Markind's appearance on the "Shale Gas News" radio program that was broadcast on Saturday, April 25, 2020 as the guest panelists discuss the issues relating to fossil fuels and the pandemic.
