Description:

Get the latest developments on cyberlaw and data privacy.

Today, nearly everyone conducts business on the Web, giving rise to legal issues across a broad spectrum of areas. Join us to get the latest updates and practical guidance you need to protect your clients.

Topics include:

- Data Privacy, GDPR Enforcement, Compliance and Litigation
- Ad Tech/Use of Cookies; Data Protection in Connected Vehicles; Dark Patterns
- Litigation Developments Due to Increased Security Incidents
- The Role of an Insurance Carrier: Ransomware Attacks and Incident Response
- Coverage Issues for Cyber Losses: The Intersection of Cyber Policies and Traditional Policies
- Proposed, Pending, and Recently Passed State and Federal Legislation: An Overview
- The Importance of Privacy Impact Assessments and Remediation

Flaster Greenberg Speakers:

- **Arthur Armstrong**, Shareholder, Cybersecurity and Insurance Practices, Flaster Greenberg PC
- **Krishna Jani**, Attorney, Cybersecurity and Litigation Practices, Flaster Greenberg PC
