Health and Safety Announcement Vaccination/Negative Test Required

Please be advised that after careful consideration, we have made the decision to require proof of full vaccination or negative testing to gain entry to the 2021 Atlantic Builders Convention. We did not make this decision lightly but as we have been closely monitoring the actions of other large scale events and following guidance from the President of the United States, we have determined this action best enables us to provide a safe environment for attendees.

ATTORNEYS MENTIONED

Adam Gersh

Marty Judge

John Koch

Daniel Markind
