
Cyberlaw Update 2022: Privacy In App Development - It's Just Good Business

April 25, 2022

Pennsylvania Bar Institute (PBI)

Get the latest developments on cyberlaw and data privacy

Today, nearly everyone conducts business on the Web, giving rise to legal issues across a broad spectrum of areas. This course will give you the latest updates and practical guidance you need to protect your clients.

Topics include:

- The Role of the Insurance Carrier: Ransomware Attacks and Incident Response
- Data Privacy; Update on GDPR Enforcement, Compliance and Litigation; DPO Guidance Regarding EU Law
- Privacy by Design in Mobile Application Development
- The U.S. Department of Justice's Expansion of the False Claims Act into Cybersecurity
- Space Law
- Cybersecurity and Privacy in M&A Transactions; International Data Transfers
- Biometric Data Protections and Lack Thereof

All attendees will receive the course materials as a digital book. A printed copy of the course book is available, at a discount to attendees, for \$40. Additional copies are available at full price. If you wish to purchase the printed version of the course book, please call PBI customer service at 800-932-4637. Please allow up to two weeks after the program for the printed version of the course book to be shipped.
