

Cyberlaw Update 2022: Privacy In App Development - It's Just Good **Business**

April 25, 2022 Pennsylvania Bar Institute (PBI)

Get the latest developments on cyberlaw and data privacy

Today, nearly everyone conducts business on the Web, giving rise to legal issues across a broad spectrum of areas. This course will give you the latest updates and practical guidance you need to protect your clients.

Topics include:

- The Role of the Insurance Carrier: Ransomware Attacks and Incident Response
- Data Privacy; Update on GDPR Enforcement, Compliance and Litigation; DPO Guidance Regarding EU Law
- Privacy by Design in Mobile Application Development
- The U.S. Department of Justice's Expansion of the False Claims Act into Cybersecurity
- Space Law
- Cybersecurity and Privacy in M&A Transactions; International Data Transfers
- Biometric Data Protections and Lack Thereof

All attendees will receive the course materials as a digital book. A printed copy of the course book is available, at a discount to attendees, for \$40. Additional copies are available at full price. If you wish to purchase the printed version of the course book, please call PBI customer service at 800-932-4637. Please allow up to two weeks after the program for the printed version of the course book to be shipped.
