

2023 Legal Affairs Spring Conference

May 24, 2023

Airports Council International – North America

ACI-NA will be bringing together airport legal professionals and consultants to identify and discuss the most pressing legal developments and issues associated with the industry. The event will include discussion panels, networking opportunities, and presentations from industry leaders.

We invite you to attend the educational programs listed below where our attorneys will be featured panelists.

session TITLE & DESCRIPTION

Electricity, Hydrogen and Other New Sources of Energy

The move to cleaner energy is impacting infrastructure, business models, and legal arrangements at airports. How can airports make the most of these coming changes? Where are the legal landmines and what is the role of the airport attorney? The panel will draw on experiences at airports throughout North America to explore these and other related issues.

panelist

Daniel B. Markind, Shareholder, Flaster Greenberg
