

2022 Annual Review of New Jersey Environmental Law

April 4, 2023

New Jersey Institute for Continuing Legal Education

For over 30 years, attorneys have relied on the New Jersey Institute for Continuing Legal Education's Annual Review of Environmental Law for current and insightful information about the latest laws, policies, and issues facing their clients. This year's program features informative discussions about the most recent Governor Murphy administration initiatives, and the latest trends affecting environmental clients. Expert environmental lawyers will provide an insightful look into the current and evolving regulatory landscape and provide helpful takeaways to support attorney's practices.
