National Structured Settlement Trade Association Fall Meeting

The Glam - One Year Later

Date:

Wednesday, October 25, 2023

Speakers:

- John McCulloch, Arcadia
- Matt Meltzer, Flaster Greenberg

Description:

The generic legal advice memorandum released by the Internal Revenue Service late last year (the “GLAM”) continues to spark debate regarding the viability of attorney fee structures. Two experienced attorneys working in the structured settlements industry today will address the concerns and overreactions of those who take a more pessimistic view of the GLAM’s impact. This Panel Session will also deliver an endorsement of traditional attorney fee structures.
