

Transportation Lawyers Association (TLA) 2025 Annual Conference

May 7, 2025

Navigating Emerging Technologies Complying with Attorneys Ethics in the Era of Artificial Intelligence

The 2025 ethics panel will focus on the intersection of the Rules of Professional Conduct and the ever-evolving field of artificial intelligence and cybersecurity. The panel will discuss developing issues confronting attorneys as they navigate the use of emerging technologies and compliance with the Rules of Professional Conduct. This presentation will include reference to specific Rules of Professional Conduct that are implicated by modern technology and must be considered by the modern practitioner.

Moderator: Eric C. Palombo, Shareholder, Flaster Greenberg PC, Conshohocken, PA

Panelists:

- Cari L. Sheehan, Assistant General Counsel, Taft Stettinius & Hollister, LLP, Indianapolis, IN
- Gene Fishel, Counsel, Troutman Pepper Locke, Richmond, VA
