BUSINESS LAW SEMINAR SERIES

TAX ISSUES UNDER THE OBBBA FOR BUSINESS OWNERS

Join Flaster Greenberg PC for a monthly Business Law Seminar Series.

The educational sessions will focus on topics that have an impact on most businesses in New Jersey and Pennsylvania, including updates on recent and pending legislative and administrative actions.

Our one-hour programs are geared toward business owners and business executives, and the professionals who advise them: accountants, financial advisors, bankers, and investors. Attendees will also have the opportunity to network with other business owners and professionals, and earn CLEs and CPEs.

SEMINAR DESCRIPTION

The One Big Beautiful Bill Act of 2025 (OBBBA) introduced new considerations for business owners, where decisions made today about structure and tax strategy can result in meaningful savings and have significant financial consequences later down the line. Join us for an in-depth discussion on key tax issues and planning opportunities under the OBBBA, designed to help business owners and advisors navigate this evolving landscape.

Topics will include:

- Entity selection
- Section 1202 benefits
- Interplay between income tax and estate planning
