The Intermodal Intersection of the Last Mile: Aligning Law, Logistics, and Liability

April 29, 2026
Transportation Lawyers Association (TLA) Annual Conference and Midyear Meeting

Description:

Shareholder Eric Palombo, Transportation, Logistics, & Supplies Practice Group Lead, moderates a panel discussion at this year's Transportation Lawyers Association Annual Conference and Midyear Meeting.

As the lines blur between transportation modes and service providers, so do the legal and operational responsibilities. This cross-disciplinary panel examines how counsel and logistics professionals can work together to manage risk, handle regulatory overlap, and prepare for disputes. Expect insights on operational challenges, risk allocation, multimodal contracting, the rise of digital platforms, and how to future-proof operations in a changing industry.

Speakers:

- Eric Palombo, Shareholder and Transportation, Supplies, & Logistics Practice Group Lead
- Robert Ledoux, Senior Vice President, General Counsel, Corporate Secretary, Florida East Coast Railway
- Caroline Synakowski, Counsel, Flexport Inc.
- Allen Jones, Deputy General Counsel, STG Logistics, Inc.

Date & Time:
