

Regional Spotlight: Successful Healthcare Partnerships

December 6, 2011

Greater Philadelphia Chamber of Commerce

Join us on December 6th as a panel of leading healthcare professionals explore the successful partnerships between doctors and hospitals that are improving the wellbeing of our citizens and driving the regional economy. The intended result of these collaborations is improved patient care, while staying mutually committed to health and medical research in the region.

This program is part of a four-part series that highlights Greater Philadelphia's leading economic drivers and explores how they are creating opportunities for regional collaboration and growth now and in the future.

Panelists:

Stephen M. Greenberg, President and Chair, Corporate and Health Care Practice Groups, Flaster Greenberg PC

John J. Lynch III, President and CEO, Main Line Health
