

Webinar: Buying and Selling a Business - An essential tool for lawyers who handle purchases and sales of businesses

October 22, 2013

Pennsylvania Bar Institute

Learn about advising clients in the purchase or sale of a business with this comprehensive and practical guide and seminar:

- Discuss the interaction of business judgment and law when a business is being bought or sold
- Listen and learn as a panel of experienced attorneys work through a fact pattern that will address the numerous legal requirements and practical considerations of such a transaction
- Get practical advice on advising and representing clients- including often overlooked problem areas and potential pitfalls
- Learn the special concerns of the client who is buying a business and the client who is selling the business

Receive the 7th Edition of Buying and Selling a Business chock-full of info—including checklists and forms!

Chapters will include The Acquisition Process, Securities Law Implications, Environmental Considerations in Buying and many more!
