

2013 Annual Review of Environmental Law

December 18, 2013

NJICLE - Presented in cooperation with the NJSBA Environmental Law Section

2013 was another significant year for environmental protection developments. There were many changes at the DEP as well as legislative and judicial developments. Are you up-to-date on these latest developments?

Register today to hear the top experts in New Jersey provide you with the information you need to know to maintain your environmental practice. As an attendee, you'll learn about the new changes and developments as well as others that may be implemented during the coming year. In addition, this year's Review will include a discussion of ethics issues that arise in the environmental context. Don't get left behind – make plans to attend today!
