Seminar Overview:

Now is the time to consider appealing your 2014 real estate tax assessment if you are an owner of commercial or high-end residential property.

Here is why:

- The deadline to file an appeal for your 2014 tax assessment is April 1st, unless formally extended.
- Many towns have already undergone district-wide revaluations.
- The value of comparable properties may never be lower.

Our program will cover:

- General market conditions
- Understanding Fair Market Value
- Meetings with Revaluation Companies
- When and how to file a tax appeal
- How to get value from a tax appeal
- Question & answer session

Who should attend:

- Property owners seeking to lower their property taxes who own:
 - Commercial office, industrial/warehouse complexes, retail properties, restaurants and multifamily properties
 - High-end residential real estate
