

Oh Crap, We've Been Sued: A step-by-step guide to the HR professional's role in litigation and how to prepare for it pre-suit

April 28, 2015

Primepoint LLC, Flaster Greenberg PC

Click here to register for this event.

This presentation will take HR professionals through the various stages of the litigation process and the ways in which they play a crucial role in mounting a defense. Even more important, HR professionals will gain a perspective on the course of a lawsuit that will help them better prepare for the eventualities of litigation pre-suit. Through this presentation, attendees will discover ways in which they can improve internal processes to position their organizations for defending litigation.

Speaker:

Adam Gersh, Shareholder, Labor & Employment and Litigation Departments, Flaster Greenberg PC
