

## Distressed Businesses and Bankruptcy: Opportunities and Options

---

January 20, 2016

Whether you are an opportunistic investor looking to make a strategic or financial acquisition, or your business is in distress, it may be time to uncover hidden opportunities and options in both bankruptcy and non-bankruptcy settings.

Join us for an informative and insightful breakfast program with topics that will include:

- The possibilities presented by the strategic restructuring, liquidation and bankruptcy process
- Strategies to address preferential payments and lease issues
- The bankruptcy asset sale process both from the perspective of buyers and sellers
- The tax ramifications of workouts and/or bankruptcies
- Updates on significant regional commercial bankruptcies and lessons learned
