

PA Bridge the Gap CLE Seminar

February 23, 2017

New Jersey Institute for Continuing Legal Education

About the Program:

A video seminar that can be used to fulfill the "Bridge the Gap" requirement for newly admitted Pennsylvania attorneys.

The Supreme Court of Pennsylvania has added a "Bridge The Gap" requirement for newly admitted lawyers. The program is designed to provide the type of information necessary to smooth the transition from law student to attorney. It is intended to give recent law school graduates the "know-how" which is otherwise learned through trial and error.

The "Bridge The Gap" program is part of the mandatory CLE requirement that must be fulfilled prior to a newly admitted lawyer's first Pennsylvania CLE requirement deadline. The "Bridge the Gap" program will be accredited for four hours of PA CLE ethics credits. This BASIC program will provide practical insight into key areas that new lawyers need to know in order to comply with the Rules of Professional Conduct and avoid potential malpractice claims. A moderator will be available to lead the discussion and answer your questions.
