Insurance Coverage for Business Decoded

June 7, 2017

By gaining an improved understanding of the many intricacies of insurance policies, business owners can better assess and avoid potential risks that could be damaging to their business operations and their bottom line.

Join us for an educational and interactive program where we will discuss the legalities of insurance claims arising from:

- 1st party claims including property, fire, theft and business interruption coverage
- Coverage for claims brought by 3rd parties
- Cyber security risks
- ERISA disability policies

Who should attend:

- Business Owners and Managers
- Insurance Brokers
- Corporate Risk Managers
- General Counsel
- Accountants
- Consultants to those in the Risk Management Profession

Speakers:

John Fried, Shareholder, Flaster Greenberg PC

Mitchell Kizner, Shareholder, Flaster Greenberg PC

Melissa Hazell Davis, Associate, Flaster Greenberg PC
