
Flaster Greenberg Named NJBiz 2024 Business of the Year Finalist

Press Release

October 22, 2024

Flaster Greenberg has been named an *NJBIZ* 2024 Business of the Year finalist in the large company category (100-299 employees).

The *NJBIZ* Business of the Year Awards honor the state's most dynamic companies and leaders who share a commitment to professional excellence, business growth and their communities.

Steven Poulathas, Co-Managing Shareholder said, "We are very proud of our firm's recognition as a Business of the Year. Our commitment to excellence as part of our overall core values, achieved directly by the efforts of our amazing, dedicated and passionate attorneys, administration and staff, translates into the success identified by the *NJBIZ* judge panel. Of course, we extend appreciation to our clients who offer us the opportunity and platform to cultivate this accomplishment."

This year, *NJBIZ* is recognizing more than 50 organizations and three individuals who have made significant contributions to help the state's business community grow and prosper.

Executive of the Year honorees and Business of the Year finalists were selected by an independent panel of judges comprised of previous program honorees. [Read the complete article here.](#)
