Successful Fifth Annual M&A Conference

February 4, 2025

On January 29th, more than 200 professionals in the M&A space from the tri-state area and beyond -- including attendees who traveled from as far as Detroit and Atlanta -- gathered at the DoubleTree by Hilton in Cherry Hill, NJ, for a morning of insightful discussions, key market trends, and high-impact networking.

Sponsored by M&T Bank, and now in our fifth year, the conference has become a must-attend event for dealmakers in the region.
