

## Flaster Greenberg PC Website Wins Webby Award

Press Release

May 25, 2011 Cherry Hill, NJ and Philadelphia, PA

Law firm Flaster Greenberg's retooled website (www.flastergreenberg.com) launched in January 2011 was recently awarded a "Webby" as an Official Honoree in the Law category of the 15th annual Webby Awards, as noted by the International Academy of Digital Arts & Sciences.

For fifteen years, the Webbys have recognized the "best of the Web," in a wide variety of consumer, business and professional categories. In 2011, the International Academy of Digital Arts & Sciences received over 10,000 entries from all 50 U.S. states and more than 60 countries. In being awarded a Webby, Flaster Greenberg's website was judged to be among the top 10% of all entries.
