Cherry Hill, NJ

Through the month of December, Flaster Greenberg staff, attorneys and family members participated in the 2014 Adopt- A-Family program through the Camden County Bar Association. In an effort to help disadvantaged families in Camden County this holiday season, Flaster Greenberg was successful in collecting gift cards, food and merchandise for two well-deserving families. This is the seventh year in a row Flaster Greenberg has participated in this program.

Research has shown that two out of every five Camden County residents are ranked below the national poverty line. With the help of Flaster Greenberg employees and other Adopt-A-Family participants, more than 100 families will be fed and able to celebrate the holiday season with their loved ones this year.
