FG to Host The Developing and Expanding Real Estate Market: 2015 Forecast for the Philadelphia Metro Area

Press Release

February 19, 2015
Philadelphia, PA

Please join us on February 25th as we kick off our 2015 Real Estate Breakfast series. This program will focus on the latest industry trends and present some forecasts for the Philadelphia Metropolitan Area real estate market.

Speakers:

- Stephen P. Mullin, President and Principal, Econsult Solutions, Inc.
- Joseph D. Pasquarella, MAI, CRE, FRICS, Senior Managing Director, Integra Realty ResourcesPhiladelphia

About Econsult:

Econsult provides businesses and public policy makers with economic consulting services in urban economics, real estate economics, transportation, public infrastructure, development, public policy and finance, community and neighborhood development, planning, as well as expert witness services for litigation support. Econsult engages in projects from comprehensive long-term studies involving complicated economic arguments and extensive data analysis, to short-term advisory support.

About Integra Realty Resources-Philadelphia:

Integra Realty Resources-Philadelphia provides valuation and consulting services for commercial real estate with special emphasis on investment grade real estate. Integra Realty Resources has served pension fund advisors, major national and regional banks, life insurance companies, CMBS lenders, investment advisory firms, Fortune 500 companies, private clients, developers, investors, governmental agencies, and other professionals concerned with the value of feasibility of real property for over 32 years.
