Cherry Hill, NJ

Flaster Greenberg PC, one of the Delaware Valley's leading law firms, recently donated 15 gently used computers to Computer Smiles, a local non-profit. Each computer donated included a monitor, VGA cable, power cord, mouse and keyboard. The mission of Computer Smiles is to "improve lives, one computer at a time." They acquire gently used computers to rebuild, refurbish, reprogram and donate them to a student, family or senior citizen in need.
