

Flaster Greenberg Donates to Computer Smiles

Press Release

June 21, 2018

Cherry Hill, NJ

Flaster Greenberg PC, one of the Delaware Valley's leading law firms, recently donated 15 gently used computers to Computer Smiles, a local non-profit. Each computer donated included a monitor, VGA cable, power cord, mouse and keyboard. The mission of Computer Smiles is to "improve lives, one computer at a time." They acquire gently used computers to rebuild, refurbish, reprogram and donate them to a student, family or senior citizen in need.

For more information on Computer Smiles, or to donate, visit their Facebook page by clicking [here](#).
