
FG's PFAS Task Force Team Presents Webinar Focused on How Airport Owners and Operators Should Approach PFAS Issues

Press Release

November 22, 2019
Philadelphia, PA

On November 20, 2019 the Flaster Greenberg PFAS Task For Team presented a one-hour webinar for airport owners and operators across the United States focused on how the airport industry should be addressing PFAS issues. The webinar agenda consisted of:

- Current status of FAA & other federal regulations regarding PFAS & airports;
- General PFAS issues and specific state initiatives;
- How to look at and address these issues from an airport perspective;
- Pitfalls to look for from an environmental perspective – both federal and state; and
- Q&A

Moderator:

- Daniel B. Markind, Esq., Member, Aviation Law & Real Estate Departments, Flaster Greenberg PC

Speakers:

- Marty M. Judge, Esq., Chair, Real Estate & Environment Department, Flaster Greenberg PC
- Franklin J. Riesenburger, Esq., Member, Real Estate & Environment Department, Flaster Greenberg PC
- Lauren N. Schwimmer, Esq., Member, Aviation Law & Real Estate Departments, Flaster Greenberg PC
