

20 Years of Giving Back with Operation Bear Hug

Press Release

December 31, 2019

Cherry Hill, NJ

This year marks the 20th anniversary of the firm's involvement with Operation Bear Hug, a Ministry of the Haddonfield United Methodist Church Youth Group that collects new stuffed bears and then personally delivers them on Christmas Eve to every individual who is in the local hospitals. An added bonus for this year's program was the collaboration with the Hershey Bears hockey team, who graciously donated dozens of stuffed bears that were tossed onto the ice during their annual "Teddy Bear Toss" at one of their home games in Hershey, PA.
